Description:

Bike Holder Pro is the sturdy and resistant handlebar phone holder by Cellularline which is compatible with smartphones between 4" and 6.5".

Featuring an adjustable clamp, **Bike Holder Pro** can be mounted on handlebars with a diameter between 2 and 3 cm.

The holder pad can be detached from its clamp, in order to remove it from the handlebar when not in use.

In order to better protect the smartphone, the holder pad also features a soft anti-scratch silicone covering.
