Item Code: RINGSTANDMAG..

Magnetic holder with stand function compatible with MagSafe® ecosystem

Features:

- Designed to interact with the Apple MagSafe® ecosystem
- Magnets built-in to the holder allowing docking and alignment to the iPhone
- Provides a firm grip on the phone
- Stand function

Compatibility:

iPhone 12 end later (not iPhone SE)

DESCRIPTION:

RING STAND MAG is the magnetic holder with stand function compatible with the MagSafe® ecosystem.

The magnetic module integrated in the stand enables alignment and attachment to the iPhone.

Ring Stand Mag provides a firm and secure grip on the phone and can be used as a stand for viewing video content.

Recommended to be used with a MagSafe case for extra grip.
